7. How to place an order

7.1. Clients may place orders for products, which Medicare may accept or reject.

7.2. Acceptance of an order depends on the availability of products, correctness of the information relating to the products (including without limitation the price) and receipt of payment or payment authorisation.

7.3. Medicare will usually give the client some product options and prices via email, or verbally for walk-in clients. Medicare does not warrant or guarantee that the products and services match the specifications of the client's enquiry or tender.

7.4. It will be the responsibility of the client to review the specifications for suitability of use.

7.5. Pricing options will be given in writing only - either via email, or in a formal quote, on a Medicare letterhead. These prices usually exclude vat and delivery.

7.6. Upon the client choosing the quantity, specifications and items required, a formal quote can be done on a Medicare letterhead – which will include vat, delivery and the appropriate quantities.

7.7. Upon receipt by the client of this formal quote, please sign and email or scan it back to us, or reply to the email from which the formal quote has been sent to confirm your order.

7.8. Only written orders can be accepted, which would include the acceptance of the Medicare terms and conditions.

7.9. This will then be followed by our order department confirming your order with a Pro-Forma invoice, with payment details. The **Proforma Invoice** is an overview of the sale and includes product name-/brand, specifications, colour, quantity and any other specifics you require that we are able to offer. We might not be able to accommodate your request - so please make sure at this point, that your specific request for colour, quantity, size, dimensions and or estimated date of availability is correct.

7.10. No order will be accepted that has not been preceded by a formal quotation on a Medicare letterhead.

7.11. Quotes do not include, unless specifically mentioned:

7.11.1. Delivery

7.11.2. Installation

7.11.3. Training
